

RPET SHOPPER

Non-woven polypropylene feels and looks like fabric, but is actually made from recycled plastics that are spun into threads then bonded together using heat. It's cost-effective, durable, lightweight and easy to clean. The bags can also be recycled again.

Key Infomation

Sizes in mm

Weight 80gsm

Dimensions 360 x 430 x 100

Handle Type Long (440mm)

Screen Print Area 280 x 320
